

INVITATION

**Danish Business Delegation to the Republic of Tatarstan
October 1-4, 2018**

Join Danish Business Delegation in Kazan

Are you looking for growth opportunities in the energy sector? Join the Trade Council Russia's Business Delegation to the Republic of Tatarstan, a dynamically developing region of Russia that you might not have considered.

Tatarstan is a resource-rich, highly industrialized region with an advantageous geographic position in the very centre of Russia, a well-developed infrastructure and a history of successful collaboration with Denmark.

Facts about the region

The Republic of Tatarstan

- Federal subject of Russia
- Territory: 67 847 km²
- Population: 3,89 million (2018)
- Largest city: Kazan (1,2 million, 2018)
- GRP, current: 1937,6 billion roubles (2016)
- Climate: temperate continental climate, average temperature - 10,4°C in January, +20,2°C in July
- Official languages: Tatar and Russian

The energy sector is one of the most important and dynamically developing in the region and it might be entering a new era. President Rustam Minnikhanov has called for special emphasis on the development of alternative energy sources and especially energy-efficiency in housing and communal services sector and industry. Also, at the meeting with Danish Ambassador Thomas Winkler in June 2018, the President of Tatarstan Rustam Minnikhanov has expressed confidence in the huge potential of continuing Danish-Russian collaboration.

Expand your possibilities and gain valuable insight of business opportunities that the energy sector in the region provides to foreign companies.

Obtain access to decision makers in the Republic of Tatarstan and connect with businesses within the energy sector

The dates are scheduled to be between the 1st – and 4th October 2018.

Period
1st – and 4th October 2018
